NOTIFICATION

AMENDMENTS IN THE REGULATION NO. 18/2008

The Regulation no.18/2008 has come into effect from 01/01/2008. The Regulation was amended vide notification no. Regn./5227 dated 24/11/2008. Further amendments have been made in the Regulation no. 18/2008 with effect from 21/05/2010 :-

- **2.2 APPLICATION PROCEDURE is to be substituted as under:**

"Institute must apply in the prescribed form which can be obtained from the University against payment of Rs. 1,000/- through Demand Draft. One form can be used only for one group i.e. either for courses of Media group of Computer Application/IT group. If the Institute desires to apply for courses of both groups, it has to submit its application in separate forms for each group. Application Forms will be issued to all applicants and they will be given one opportunity to get their institute inspected. (The rule of issuing application forms on 'first come first serve' basis and only upto three forms for one particular vacancy, is quashed). The University can reject any or all applications of a particular place if applicants are not found upto the mark after inspection".

- **10.1 NUMBER OF INSTITUTES AT A PLACE AND POPULATION:**

The inspection team will decide upon the feasibility of running Media Courses at a particular place and the maximum number of Media Institutes at that particular place. (The rule of minimum 3 lakhs population for grant of association for Media Courses and the basis of population, is quashed)

- **11.1 MAXIMUM NUMBER OF INSTITUTES AT A PLACE**

The inspection team will decide upon the feasibility of running Computer Courses at a particular place and the maximum number of Computer Institutes at that particular place. (The rule of minimum 25000 population for grant of association for Computer Courses and the basis of population as well as the formula for calculation of maximum number of institutes at a place, is quashed)

- **12.8** The rule of not granting new courses or additional seats to Study Institutes who have been associated with the University before the population norms (or revised norms) came into force, if they do not meet the existing population norms, is quashed.
